MEMORANDA, CIRCULARS, &c.*Pensions and Allowances to Officers of the Land Forces, limited to Wounds and Injuries received in Action.*

1.—If an Officer shall receive a Wound in Action, which shall occasion the loss of an Eye, or a Limb, or the total use of a Limb, or shall receive bodily injury fully equal to the loss of a Limb, he may be eligible to receive a Gratuity in Money of One Year's Full Pay of the Regimental Rank or Staff Appointment held by him at the time he was wounded.

2.—If an Officer shall be wounded in Action, and it shall appear upon an inspection made of him by a Board of Army Medical Officers assembled by order of the Secretary at War, that such Officer has, in consequence of his Wound, lost a Limb or an Eye, or has totally lost the use of a Limb, or that he has sustained a severe Injury in Action fully equal in every respect to the loss of a Limb, he may be recommended to Her Majesty for a Pension at the rate fixed in the annexed Scale for the Rank held by him when he was wounded, and commencing One Year after the Wound was received; the continuance of which shall depend upon subsequent examinations before a Military Medical Board.

3.—If the Officer shall have lost more than one Limb or Eye, he may be recommended for a Pension for each Limb or Eye so lost in Action.

4.—If the Wound received by an Officer in Action shall be so severe in its permanent effects as to be nearly equal, but not fully equal, to the loss of a Limb, such Officer may be recommended for a gratuity of Eighteen Months' Full Pay of his Regimental Rank, or Staff Appointment, held by him when wounded; in which case no Pension shall at any subsequent time be granted to him under this Regulation.

5.—If any Wound received in Action shall be certified to be severe and dangerous, but in its permanent effects not equal to the loss of a Limb, the Officer receiving such Wound may, in consideration of the expense attending the cure thereof, receive a gratuity, varying, according to the nature of the case, from Three to Twelve Months' Full Pay of the Regimental Rank, or Staff Appointment, held by him at the time he was wounded.

6.—If an Officer shall have held a Pension for a Wound received in Action for a Term of Five years, and shall have been examined, twice at the least, before a Board of Army Medical Officers, he may be recommended for the permanent continuance of such Pension; but if the Officer before the expiration of the term of Five years shall have so far recovered that his Wound or Injury is not fully equal to the loss of a Limb, then he shall cease to receive such Pension, and shall have a gratuity of Full Pay according to the degree of his Injury, as laid down in Article 5.

7.—If within the period of Five Years after a Wound has been received, an Officer does not apply for the Pension, or, applying for it, the Wound shall not have been proved to be fully and permanently equal to the loss of

a Limb, such Officer's claim to a Pension shall not at any subsequent period be entertained.

8.—No gratuity or Allowance for any Wound shall be granted after the lapse of Five Years from the time the Wound was received.

9.—No Pension for the loss of One Eye from a Wound received in Action shall be granted unless the actual loss of Vision shall have occurred within Five Years after the Wound was received, and be solely attributable to such Wound.

10.—As a general rule, the Pension shall be granted according to Regimental Rank; but in cases in which Officers with Brevet Rank shall have been employed at the time they were wounded in discharge of duties superior to those attached to their Regimental Commissions, the Pensions shall be given according to the Brevet Rank.

11.—These Pensions, being granted as a compensation for the permanent disability sustained by Wounds received in Action, may be held together with any other Pay and allowances to which an Officer may be entitled, without any deduction on account thereof.

CIRCULAR.

Horse Guards, 26th May, 1855.

The General Commanding-in-Chief desires to call the particular attention of Officers Commanding to the mode of framing charges against offenders, and which it is desirable should not contain the non-essential minutiae, which prevail in too many instances, sometimes in the form of long and obsolete preambles.

The precise hour of the commission of an offence should never be inserted in a charge, unless the time be in the essence of the offence itself, and that its insertion be essential to the Prisoner for his defence, as, for instance, in charges for "being asleep on, or quitting post," or for "being drunk on sentry."

In charges for "absence without leave," it is advisable to frame them in the words of the 50th Article of War, viz., for "being absent without leave from his Commanding Officer," which constitutes the essence of the offence.

Horse Guards, 30th April, 1855.

The General Commanding-in-Chief's attention having been called to the expense caused by sending Soldiers belonging to the embodied Militia to and from County Gaols, Viscount Hardinge recommends, whenever Regiments are stationed in billets, or at places where there are no cells for the confinement of offenders, that Commanding Officers, instead of committing men as Prisoners to County Goals, should, except in urgent cases, have re-

course to the minor discretionary Punishments authorized by the Regulations of the Service for the repression of crime.

Horse Guards, 1st May, 1855.

To facilitate as much as possible the discharge to Pension and removal to their homes of Invalids arriving from the Seat of War, the General Commanding-in-Chief desires, with reference to the Circular of the 24th April, 1854, that all Discharge Documents of such Men as may from time to time be notified by the Commandant of the Invalid Depôt at Chatham to the Commanding Officers of Depôts, may be immediately prepared so far as they can be from the Regimental Registers and other Documents in possession of the respective Depôts and sent to the Commandant, by whom the several Documents will be completed and Accounts settled through the Staff Officers of Pensioners, according to instructions issued to them.

The particular attention of Commanding Officers of Regiments in the Field is also directed to the Circular above-mentioned, in order to the Instructions relative to the periodical notification to the Regimental Depôts, of "all casualties, such as loss of rank by sentence of Court Martial, loss of Service by absence without leave, or Imprisonment, &c." being strictly and punctually carried out.

MEMORANDUM.

Horse Guards, 24th May, 1855.

The General Commanding-in-Chief, under instructions from the Secretary of State, War Department, is pleased to direct that every Soldier proceeding to the Seat of War shall be provided with a Calico Bandage (and portion of Lint), after a pattern which has been lodged at the Board of General Officers in Whitehall.

Officers commanding Regiments and Depôts are informed, that the General Commanding-in-Chief will entertain their recommendations in regard to the restoration of Men's services which have been forfeited by Desertion, or by sentence of Court Martial for "Disgraceful Conduct," upon the ground of a period of unremitting good conduct, *combined* with good, faithful or gallant service in the Field.

His Lordship cannot, however, recommend such cases for the gracious consideration of her Majesty, unless the period of unremitting good conduct shall amount to half the time required (upon such ground *alone*) by the Queen's Regulations, according to the number of Convictions, and that the good, faithful or gallant service in the Field shall have been of that constant and sustained character which shall entitle the Soldier, in the estimation of his Commanding Officer, to be brought under the notice of the General Commanding-in-Chief for restoration of his forfeited services within half the period at present prescribed by the Queen's Regulations.

Any specific act of valour in the Field, reflecting honour on the Regiment and on the individual (*when combined with the period of unremitting good conduct herein laid down*), may be recommended by Commanding Officers

to the consideration of the General Commanding-in-Chief, for submission to her Majesty, for the restoration of forfeited services.

SIR,

War Office, 1855.

I am directed to acquaint you, that, with a view to secure the regular payment of the Pensioners from the Line, &c., now serving, or who may hereafter serve in the several Regiments of Militia, and also to prevent the necessity of their requesting leave to attend upon the Staff Officers of Pensioners to obtain their Pension as it becomes due, it has been decided that they shall receive it from you, and that you shall enter the same under a separate head in your Pay List, attaching to each Pay List a separate certified statement of such Payments. If any such Men should be desirous that their Pensions, or a portion thereof, be paid to their wives, or for the support of their families, you will retain the same in your hands, credit the amount in your Pay List, and notify their wishes to this Office, when the necessary directions will be forwarded to the Staff Officer of Pensioners of the district in which they reside. If, on the other hand, any Pensioner allow his wife or family to become chargeable to a parish or union, the sum claimed for their support will also be paid by the Staff Officer of Pensioners, and you will be required to stop the amount from the Pension, and account for it in your Pay List, I therefore enclose authorities for the payment of the several Men named in the Margin, who, it appears, are now serving in the ——— Militia, and have to request that you will pay them their respective Pensions from the date which they have received it from the Staff Officer of Pensioners of the ——— District, as shown in those documents, which you will attach to your Pay List as your authority for such payments; and you will observe that Out Pensioners of Chelsea Hospital, and the Pensioners of the East India Company, are entitled to their Pension quarterly in advance, from the 1st January, 1st April, 1st July and 1st October, but that Pensioners from the Royal Marines are paid in arrear.

Whenever a Pensioner is discharged from the Militia, you will notify the same to this Office, stating also the date to which he has been paid his Pension by you, and the place at which he wishes to receive his Pension in future, in order that the necessary directions may be forwarded to the Staff Officer of Pensioners of the District in which such place is included; and should a Pensioner die while serving, you will report the same specially by letter to this Office.

I have the honor to be, Sir,

Your most obedient Servant,

B. HAWES.

MEMORANDA, CIRCULARS, &c.

IMPLEMENTS.

CIRCULAR, No. 1,873.

MEMORANDUM.

Horse Guards, 29th May, 1855.

The General Commanding-in-Chief, having approved of a nipple-wrench, containing a spring-cramp, ball drawer, turnscREW and nipple pricker, with the addition of a screw ball-drawer and drift,—is pleased to direct that one shall be supplied for every ten rifles in a regiment, and be placed in the custody of such steady man, or non-commissioned officer, as the Commanding Officer may select. At one end of the nipple-wrench is a cavity for holding a small quantity of neat's foot oil, which will be provided by the Officer commanding the company.

All other soldiers will, henceforth, be provided with a wrench of a simpler construction, without the screw ball-drawer, and the means of removing the mainpring; but both implements are furnished with the double-worm, which is so constructed as to be applied as a handle to the new pattern rammer which has been approved, by which greater facility will be afforded to the soldier in cleaning the barrel of his firelock.

As soon as a supply of the implements can be got ready, arrangements will be made with the Ordnance for furnishing them both to the Army in the field, and to regiments on home or colonial service, in proportion to the number of rifled muskets in possession of each, and without the necessity of separate requisitions for Commanding Officers.

By Command,

G. A. WETHERALL,

Adjutant-General.

VICTORIA R.

WHEREAS it has been found expedient, in altering and revising the system which regulates the supply of Clothing, Accoutrements and Appointments to our Army, to abolish the Consolidated Board of General Officers, Our will and pleasure, therefore, is, that the said Board be hereby and henceforth abolished: And We are pleased to direct, that the duties connected with the Clothing of Our Army, which have been performed by the said Consolidated Board of General Officers, shall in future be performed by the Director General of Army Clothing, reserving to Ourselves the right of determining from time to time the patterns of the said Clothing, Accoutrements and Equipments: And We further direct, that all records and documents relating to the Clothing of Our Army, which are in the custody of the said Consolidated Board of General Officers, be given over to the Director General of Army Clothing.

Given at Our Court at St. James's, this Twenty-first day of June, 1855, in the Eighteenth year of Our reign.

By Her Majesty's command,

War Office, 14th July, 1855.

WITH reference to the Military Furlough Regulations promulgated by a General Order in India dated the 17th November, 1854, under which Officers of Her Majesty's Army serving in that country, when returning to Europe in consequence of certified sickness, may, under certain limitations, receive Indian pay and allowance, *including Queen's pay*, for a period not exceeding six months from the date of embarkation from India, and that of this period an advance for three months may be made in India, I am directed to acquaint you that in respect of Officers who may hereafter be permitted to return to Europe under the circumstances above mentioned, it has been arranged with the Court of Directors that in every instance the Officer shall be furnished by the proper Authorities in India with Certificates, showing—

1st. That the Officer comes to Europe on sick leave, at the recommendation of a Board of Medical Officers.

2nd. The date to which Indian pay or allowance has been issued to him in India, together with the particulars and amount of any advance which may have been made to him in India beyond the date of embarkation.

3rd. *The rate of Indian pay or allowance to which he is entitled.*

These documents are to be delivered to you, and submitted by you to the Military Department at the India House, for the purpose of having it stated on the Certificate No. 2, referred to above, for what period Indian pay or allowance may continue to be issued to the Officer concerned, and likewise at what rate *per rupee* the amount is to be calculated in British money.

The payments which may be made under these instructions are to be included in your Accounts rendered to this Department for services payable by the East India Company under the head of Pay, &c., for Commissioned Officers, annexing in support thereof the several Certificates before mentioned.

I am further to acquaint you, that as regards any Officer having a claim to the benefit conferred by the said Regulations, who has already returned from or who may quit India before the arrangement herein mentioned can take effect in that country, the amount of Indian pay or allowance which may be issued to him will be certified by the Military Department of the India House upon your application thereto, and that such Certificate is to be annexed in support of the charge in your Accounts accordingly.

You are clearly to understand that as Indian pay and allowances include Queen's pay, no separate issue under the latter head should be made for the period to which the former is applicable.

I am,

Your obedient Servant,

B. HAWES.

MEMORANDA, CIRCULARS, &c.

68,300

CIRCULAR, No. 1,193.

General No. 246.

SIR,

War Office, July, 1855.

IN consequence of the frequent cases of Enlistment of Men who belong to embodied Regiments of Militia by Recruiting Parties of the Line, &c., and the various claims preferred on that account, I am directed by the Secretary-at-War to acquaint you that the following Regulations will be strictly enforced in future.

1. When an Officer is sent to a Militia Regiment to receive its quota of Volunteers, the employment of Recruiting Parties is *not permitted* (except in the instances referred to in Article 6 of this Circular), and the special Instructions which are *then* issued for the Officer's guidance are alone applicable on that occasion.

2. In all individual cases of Men wishing to transfer their services into the Line from embodied Regiments of Militia, either before or after the period fixed for the special Volunteering from those Regiments (except in the cases of disembodied Men of embodied Corps, provided for by paragraph 5 of this Letter), the Recruiting Parties may, with the concurrence of the Colonel or Commanding Officer of the Militia Regiment, enlist such Men, and will be allowed 7s. 6d. for each Man approved for the Line, a like sum being allowed to the Militia Serjeants, making a total of 15s. bringing money, which will constitute the only rewards payable for this class of Volunteers.

3. In any cases of Men who are enlisted and treated in all respects as ordinary Recruits, and are *afterwards* found to be embodied Men of embodied Regiments of Militia, which they have denied on attestation, they will, as the consequence of such denial, forfeit all claim to the extra 20s. allowed to Militia Volunteers, and the Recruiting Parties may retain the full reward, provided the Inspecting Field Officer be satisfied by inquiry in each case that they were in no way implicated in the denial of the Men's former service: but if it can be ascertained that any such Man has been brought for enlistment by a non-commissioned Officer or Private serving in the Militia, a report of the circumstances should *at once* be made to the Commanding Officer of the Regiment, with a view to the punishment of such irregularity and the refund of any bringing money which such Militia Soldier may have received.

4. The distinctions between Volunteers from embodied and disembodied Regiments of Militia, as specified in the circular Letter addressed to District Paymasters on 18th December last (No. 1,172), are to be strictly maintained in reference to the charges in the district accounts, except that in any special cases of the class provided for in the preceding paragraph the charges of levy money will be made in the district accounts as if the Men were ordinary Recruits, due regard being also had to the following paragraph.

5. It must, however, be clearly understood that Men belonging to embodied Regiments of Militia, who have been permitted to go to their homes under

the provisions of Lord Panmure's Circular, dated 27th March last, are to be considered as *disembodied Men*, and dealt with in like manner as Men belonging to Corps *not* embodied, such men not being entitled to the 11. extra Line bounty, with reference to the Circular issued from the War Department on the 30th ultimo.

6. In some few instances Recruiting Parties are specially permitted to assist in carrying into effect the Volunteering from the Militia, and in these cases only the printed Instructions dated Horse Guards, 26th February last, are applicable. In all other cases the previous Instructions are to be strictly followed.

I have the honor to be, Sir,
Your most obedient Servant,
B. HAWES.

The Inspecting Field Officer.

CIRCULAR MEMORANDUM.

MEMORANDUM.

Horse Guards, 23rd July, 1855.

Several instances having been brought to the notice of the General Commanding-in-Chief in which Officers have, on their own authority, promised discharges to the men under their command, and, in some cases, have received the money from soldiers before the sanction of the General Commanding-in-Chief to their discharge was obtained, the General Commanding-in-Chief hereby calls the attention of Commanding Officers to the subject, with a view to the prevention of so unauthorized a stretch of power on the part of Officers, which is calculated to mislead and injure the soldier, and is consequently highly prejudicial to discipline.

The money for a soldier's discharge is on no account to be received till the discharge has been formally approved by the General Commanding-in-Chief, and then only by the Regimental Agents or Paymaster.

G. A. WETHERALL,
Adjutant-General.

CIRCULAR MEMORANDUM.

Horse Guards, 31st July, 1855.

With reference to the General Order, No. 649, dated Horse Guards, 5th July, 1855,—it is to be understood that the Returns, Reports and Communications therein mentioned are such only as are sent to the Horse Guards, through General Officers commanding Districts, by Regiments of the Line.

All subjects of a purely regimental nature, and over which an Officer commanding a District exercises no control, are to be sent direct to the Adjutant General of the Royal Artillery or Assistant Adjutant General of the Royal Engineers.

By Command,
G. A. WETHERALL,
Adjutant-General.

INVALID DEPOT, CHICHESTER.

CIRCULAR, No. 1,194.

1,101.

SIR,

*War Office, 11th August, 1855.*With reference to my letter of 16th May last (^{83,100}Chatham,
132.)

regarding the classification of the Invalids arriving from the East into "Fit" and "Unfit" at the port of disembarkation, the former to be sent to their Depôts, or on furlough, and the latter to Chatham, I am now directed to acquaint you, that, consequent upon the establishment of an Invalid Depot at Chichester, it has been found necessary to direct that the men sent there should be taken substantively into the payment of the Paymaster of Detachments at Portsmouth, until they leave Chichester, when they are to be duly reported into the payment of their several Depôts, or to Paymaster Leech of the Invalid Depot at Chatham, according to their classification.

This arrangement will, however, be modified by the appointment about to be made of Captain Naylor as Paymaster to the Invalid Depot at Chichester, who will shortly take over the payment of the Invalids in question, dating from the commencement of the current Quarter if practicable, on being furnished with No. 1 Reports by the Paymaster of Detachments at Portsmouth, upon whom, in concert with Paymaster Leech, will devolve the duty of subsisting the Invalids sent to Chichester, and of effecting all necessary settlements on their account with Officers in charge at that station in respect of the period ended 30th June last.

I have the honor to be, Sir,

To Commanding Officers of
Depôt Battalions, Consolidated
Cavalry Depôts, and Depôts of
Regiments serving in the East.

Your most obedient Servant,

B. HAWES.

GENERAL ORDER.

No. 650.

Horse Guards, 9th August, 1855.

THE large increase of the Militia,—which, under Her Majesty's Regulations and Orders for the Army, takes rank after the Line according to a numerical roster as fixed by lot,—and the organization of a portion of that Force as Artillery, having rendered it necessary to determine the precedence of the new Regiments recently enrolled, a Board of Militia Officers was ordered to assemble in the Camp at Aldershot for the purpose of declaring the precedence, alphabetically, of the Militia Artillery, which, in virtue of its organization, will take the right of the Infantry, and of determining, by lot, the Numbers of the new Regiments of Infantry as well as those of three old Regiments which appeared to claim the same numbers; and the General Commanding-in-Chief has desired that the result of the proceedings of the Board, as contained in the annexed list, showing the Regimental numbers fixed for the the whole Militia of the United Kingdom, now borne on the Establishment, shall be published in the General Orders of the Army.

It is to be clearly understood that this list has reference merely to circum-

stances of parade. On all other occasions Corps are to be distributed and drawn up in the mode which the General or other Officer commanding may judge most convenient and best adapted to the purposes of the Service.

When Regiments of British and Irish Militia are serving together, the priority of rank is to be considered, according to existing regulations, as belonging to the Militia of that part of the United Kingdom in which the Regiments may be quartered.

In order to prevent confusion, the General Commanding-in-Chief desires that the *County Title* shall always be made use of in the headings, &c. of all Militia Returns and other documents; the *Regimental Number* is never to be made use of by itself, and only as a *Subsidiary title*.

By command of the Right Honorable

GENERAL VISCOUNT HARDINGE,

Commanding-in-Chief.

G. A. WETHERALL,

Adjutant-General.

Regulations for the Organization of a Permanent Corps of
"INSTRUCTORS OF MUSKETRY."

HORSE GUARDS, 13th August, 1855.

1. THE Corps of Instructors of Musketry will be, in all matters appertaining to its peculiar duties, subject to and in communication with the Commandant of the School of Musketry at Hythe.

Strength and Composition.

2. It will consist in the first instance of—

- 1 Subaltern, with an allowance of 100*l.* per year ;
- 9 Captains, at 3*s.* 6*d.* a day ;

in addition to the pay of their ranks ;

- 1 Clerk, at 2*s.* 10*d.* ;
- 1 Armourer, at 1*s.* 11*d.*, and 40*l.* per year ;
- 100 First Class Instructors, at 2*s.* 10*d.* ;
- 100 Second Class do., at 1*s.* 10*d.*
- 12 Privates as Fatigue Men, at 1*s.* 4*d.*

3. The Commandant, with pay and allowances as Colonel on the Staff, one Captain and one Lieutenant, with the allowance respectively of 150*l.* and 100*l.* per annum, in addition to their regimental pay, with the Paymaster and Surgeon, will be stationed constantly at Hythe, assisted by the Serjeant Major, five First Class Serjeant Instructors, the Armourer and Clerk, and twelve Privates specially appointed for duties of fatigue.

Qualifications of Officer Instructors.

4. All the Officers appointed to this corps must have gone through the course of instruction at Hythe, and have received certificates of qualification from the Commandant.

Employment of Officer Instructors.

5. If on full pay, they will be continued on the strength of their respective regiments, and have the same advantages of promotion as if present therewith. With the exception of those employed at Hythe, they will be detached to dépôt battalions, or posted to regiments or stations where their services as Instructors may be considered most requisite ; or be employed in inspecting and reporting, through the Commandant at Hythe, for the General Commanding-in-Chief's information, upon the instruction as carried on regimentally in districts to be assigned to them.

Appointment of Regimental Officer Instructors to the Corps of Instructors.

6. The Regimental Officer Instructors appointed in pursuance of the "Instruction of Musketry," will, according to their aptitude for the office, be eligible for appointment to the "Corps of Instructors," and thus become further eligible for service at the head-quarter establishment at Hythe.

Qualifications of Non-commissioned Officer Instructors.

7. Recommendations of men for the appointments of Non-commissioned Officer Instructors are to be addressed to the Adjutant-General according to the annexed form. The candidates must be Serjeants or Corporals, men of active habits, intelligent, and capable as well of receiving as of imparting instruction, unmarried, and not exceeding five years' service; they must also be medically certified fit for active service; must be able to write accurately from dictation, understand the use of forms, &c., and have a competent knowledge of the first four rules of arithmetic, and of vulgar and decimal fractions.

Discharge and Re-enlistment of Non-commissioned Officer Instructors.

8. Previously to appointment they will be sent to the School of Musketry at Hythe, and, when reported by the Commandant as duly qualified, they will be discharged, and re-attested without bounty for general service, their previous service being allowed to reckon towards pension: and, when enrolled in the corps of Instructors, they will be liable to be posted to and from different regiments or stations at the pleasure of the General Commanding-in-Chief, former regimental connexion being taken into consideration whenever the circumstances of the service will admit thereof. The attestations are to be made out in duplicate; one copy will be retained at Hythe, and the other, together with the man's "Register Sheet," will be sent to the regiment or station to which he may be posted, the Officer commanding being held responsible that these documents are kept duly complete according to regulation, and that, on every removal of an Instructor from one corps to another (if at home), they are forwarded to the School of Musketry, in order that the entries may be duly transferred to the copy of the attestation in possession of the Commandant. Each man is to be distinguished by a separate number, his former regimental number being placed at the side of it, as in cases of transfer, viz. 1st Class Instructor, A. B., No. 100 $\left\{ \begin{array}{l} 2d \text{ Foot} \\ 1564 \end{array} \right\}$, and he will be mustered with and accounted for in the returns of the regiment or garrison to which he may be attached. Casualties amongst the Instructors are to be immediately reported to the Adjutant General.

9. Should it be deemed advisable, eligible and well-conducted Private Soldiers, who may be specially recommended by their Commanding Officers, will also be occasionally permitted to volunteer for this Corps, and be sent to Hythe for training. When reported qualified they also will be discharged, and will be re-attested for Second Class Instructors.

Relative Rank, &c. of Non-Commissioned Officer Instructors.

10. The First Class Instructors at the Head Quarters at Hythe will rank as Staff Serjeants, and be clothed accordingly, having chevrons with four bars on the right arm, and a distinguishing badge of two muskets crossed above the chevrons.

The other First Class Instructors will rank as Serjeants, and the Second Class Instructors as Corporals; each Class will receive Serjeants' clothing, and will wear three or two chevrons respectively, with the same distinguishing badge as the Staff Serjeants at Hythe; and they will be entitled to barrack accommodation according to their respective classifications.

Promotion of Non-commissioned Officer Instructors.

11. As vacancies occur among the First Class Instructors they will be filled up by promotion from the Second Class, grounded upon reports of their ability and conduct recorded in the Adjutant-General's Office, or upon the recommendation of the Commandant at Hythe.

Non-commissioned Officer Instructors to be exempted from General Regimental Duties.

12. The First and Second Class Non-commissioned Officer Instructors will be exempted from all regimental and barrack duties, and be employed exclusively in the instruction of the Troops in the theory and practice of Musketry; they will not be subject to the authority of any Non-commissioned Officer (with the exception of the Serjeant Major) in the execution of their duty; but, under the general superintendence of the Commanding Officer, they will act specially under the orders of the appointed *Regimental Officer Instructor*, who will be responsible that the system as taught at Hythe is efficiently carried out in the Regiment to which he belongs.

13. In the event of its being necessary to bring an Instructor before a Court Martial for misconduct, he is to be immediately suspended from duty, and a report of the circumstances of the case transmitted to the Adjutant-General of the Forces for the information of the General Commanding-in-Chief, if the man be serving at home; if abroad, to the General or other Officer commanding on the Station.

Correspondence.

14. All applications for information on any particular question regarding the mode of carrying on the instruction are to be made, through the Commanding Officers, to the Commandant at Hythe, who, if unable to remove the difficulty, will refer the question for the decision of the General Commanding-in-Chief, without whose special authority no alteration, however trivial, is to be made in the prescribed regulations as issued from the Adjutant-General's department.

Returns of Target Practice.

15. All the prescribed regimental returns of target practice, &c., (which are to be prepared by the Non-commissioned Officer Instructors, and are to be made out in the orderly room,) after being signed by the Officer

Instructor and countersigned by the Commanding Officer, are to be forwarded *monthly* to the Commandant at Hythe, by whom a general abstract thereof will be prepared *quarterly* for the General Commanding-in-Chief's information; it will be the duty also of the Commandant specially to report any deviation from regulation or laxity of practice which may be discovered in the interim, or on examination of the monthly regimental returns.

16. It is only necessary to state further, that the General Commanding-in-Chief relies upon the zealous co-operation of all towards ensuring the consolidation and well-working of a general system of instruction in rifle shooting, by which the efficiency of the infantry cannot fail to be greatly increased.

By command of the Right Honorable
GENERAL VISCOUNT HARDINGE,
Commanding in-Chief.

G. A. WETHERALL,
Adjutant-General.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force :

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

(Signed) CLARENDON.

Foreign Office, May 10, 1855.
